

SPEED SCRATCH CRUSTS

CONVENIENCE WITHOUT SACRIFICING QUALITY

- Handmade appearance never looks manufactured
- Clean ingredients with nothing artificial
- Made with premium ingredients and baked directly on stone
- Naturally fermented in small batches to draw out authentic flavors and textures; sourdough adds complex flavors
- Bubbly texture with a hint of smoky flavor
- Certified vegan options available

- ✓ Enhances productivity with recipes that won't sacrifice appearance, flavor or authenticity
- ✓ No proofing or handling required - frees skilled labor for more value-added tasks that drive profit
- ✓ Versatility increases menu variety while minimizing ingredients - more variety with less ingredients and less labor
- ✓ Provides a consistent experience each and every time; allows for consistent nutritional values
- ✓ Endless mix-and-match opportunities for signature dishes with bold, authentic flavors
- ✓ Oven versatility – superior performance in deck, brick or wood-fired, and conveyor ovens
