NUTRITIOUS AND DELICIOUS DO MORE WITH YOUR MENUS

- **Soft, easy-bite texture**
Trending: more patient-friendly, finger, and hand-held foods help patients (or residents) eat independently, resulting in a better experience for their mental and physical health²
- **Transparent nutritional information and labelling at your fingertips**
Ensure residents, staff, and visitors have access to nutritious and delicious meals
- **Naan offers a global appeal**
Food is becoming more culturally diverse due to an increasingly diverse aging population²
- **Our flatbreads and pizza crusts are Vegan and Kosher Certified**
In recent years, we're seeing a shift towards plant-forward menus (on patient-dining menus)²
